

Project Phronesis Brand Production Brief v1.0

â€¢ Restrained, over, minimal, and timeless.

Project Overview

â€¢ While in place, events, ticks, and product-adjacent contexts.

Project Phronesis is the internal engineering initiative responsible for developing an evidence-driven de

â€¢ Avoids over-engineering and speculative visual language.

The commercial product name remains intentionally undecided. The brand work should support Project Phrone

â€¢ Presentational clarity and driven visuals.

Brand Philosophy

â€¢ One primary, vector placement without layout redesign.

Design Instructions

The brand should communicate:

Designed as a serious, long-term, and intended to exist for decades.

â€¢ Evidence before conclusions.

â€¢ Primary, master logo. Optimize for trust, comprehension, and durability.

â€¢ Explainability over opacity.

â€¢ The reader should understand that Project Phronesis is disciplined, evidence-driven, and built around pra

â€¢ Judgment before automation.

â€¢ Horizontal lockup.

â€¢ Trust before growth.

â€¢ Icon-only mark.

â€¢ Marketplace enablement.

â€¢ Light background version.

â€¢ Long-term discipline.

â€¢ Dark background version.

â€¢ Brand Board.

Phronesis comes from Aristotle's concept of practical wisdom.

â€¢ Color tokens.

It is not abstract theory and not technical skill alone. It is judgment applied to action in concrete, im

â€¢ Typography guidance.

The platform should feel like practical judgment infrastructure.

â€¢ Presentation cover example.

Brand Positioning

â€¢ Document header/footer example.

Brand Guidelines

â€¢ An evidence-driven decision intelligence platform.

The logo should not be stretched, distorted, recolor, or placed outside the approved palette, placed on low-contr

â€¢ A practical intelligence layer for collectible markets.

The identity should be serious enough for investors, marketplace partners, and engineering documentation.

â€¢ A system for turning observations into explainable judgment.

File Organization

Project Phronesis is not:

Recommended future asset structure:

â€¢ A marketplace.

â€¢ A scraper.

FOUNDATION/02_Brand/

â€¢ A bot.

assets/

â€¢ A price manipulation platform.

raster/

â€¢ An opaque scoring product.
